

AGENDA INFORMATION
TIFFIN CITY COUNCIL COMMUNICATION

DATE:	April 2, 2026
AGENDA ITEM:	Discussion and Consideration to Purchase a Cushman Hauler 1200 Utility Vehicle
ACTION:	Motion

Background

City staff has identified the need for a utility vehicle to support daily operations and maintenance activities. Utility vehicles are used for transporting tools, equipment, and supplies efficiently across city facilities and park areas.

The Cushman Hauler 1200 Series is designed for facility and municipal use and is equipped with a 12 cubic-foot cargo bed, integrated tie-downs, and sufficient towing and load capacity to meet operational needs.

The proposed purchase price is approximately \$14,000 consistent with similar municipal utility vehicles.

Staff Recommendation

Staff recommends approval of the purchase of a Cushman Hauler 1200 utility vehicle to support City operations.
