REPORT TO THE CITY COUNCIL – NOTES FOR WORK SESSION ITEMS
March 13, 2026**

- I would like to discuss the future of the Bella Sala sign currently located at the Tiffin Dental Care soccer fields, adjacent to the new recreation center. I have spoken with Melissa Fontanini of Bella Sala, and she agrees that once the recreation center is completed and open to the public, the sign's current location could potentially create some confusion. I would like to review options with the council regarding the possible removal or relocation of the sign.
