Public Works Committee Meeting Minutes

Tuesday October 1st, 2024

4:31 PM

Present: Scott Jones, Patrick Bragg, Tim Gropp, Nick Brown, Erik Pullum

Absent:

Also Present: Ryan Crum, Mark Witsman, Ron Crider, Allyson Hamlin

Approval of Minutes

Mr. Gropp motioned to approve with mentioned edit, seconded by Mr. Brown, 4/0.

Project Updates

Town Engineer Report shared updates from his report.

Public Works Department Report

900 North is almost complete for the road cut for the new neighborhood, Rockport.

Old Business

S. Railroad Street Discussion

Mr. Witsman shared an update on Culver's and the road and traffic situation.

Mr. Pullum stated it needs to be west of the building, so it does not block entrance for the Fire Department.

New Business

Snow Plow Policy Update

Mr. Gropp shared that main roads are the priority during a snow event. Once those are cleared, then interior roads can be taken care of. The policy was updated to reflect current subdivisions and read less like a press release. All approved the changes.

Mr. Gropp mentioned we may want to consider cancelling the November Public Works Commission meeting due to it being Election Day. Scott mentioned if there is nothing pressing, he is okay with cancelling it. If it does stay on the calendar, it will be held in the Police Station meeting room.

Mr. Gropp motioned to adjourn, seconded.

Next Meeting – November 4th, 2024, 4:30 PM
